A RESOLUTION AUTHORIZING THE ISSUANCE OF GENERAL OBLIGATION CAPITAL OUTLAY NOTES IN AN AMOUNT NOT TO EXCEED TWO MILLION DOLLARS (\$2,000,000) OF FRANKLIN COUNTY, TENNESSEE; MAKING PROVISION FOR THE ISSUANCE, SALE AND PAYMENT OF SAID NOTES; ESTABLISHING THE TERMS THEREOF AND THE DISPOSITION OF PROCEEDS THEREFROM; AND PROVIDING FOR THE LEVY OF TAXES FOR THE PAYMENT OF PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE NOTES.

WHEREAS, pursuant to authority granted by Sections 9-21-101 et seq., Tennessee Code Annotated, subject to approval by the Director of State and Local Finance, counties in Tennessee are authorized to issue interest-bearing capital outlay notes for all purposes for which general obligation bonds can be legally authorized and issued; and

WHEREAS, the Board of County Commissioners of Franklin County, Tennessee (the "County") has determined that it is necessary and desirable to issue not to exceed \$2,000,000 in aggregate principal amount of general obligation capital outlay notes to provide funds for the purposes of the (i) acquisition of land for and/or the acquisition, construction, improvement, repair, renovation, maintenance and equipping of a County jail facility; (ii) acquisition of all property, real and personal, appurtenant to the foregoing; (iii) payment of legal, fiscal, administrative, architectural and engineering costs incident to the foregoing (collectively, the "Projects"); (iv) reimbursement for funds previously expended for costs of the Projects, if applicable, and (v) payment of costs incident to the issuance and sale of the notes authorized herein; and

WHEREAS, it appears to the Board of County Commissioners of the County that it will be advantageous to the County to issue not to exceed \$2,000,000 in aggregate principal amount of general obligation capital outlay notes for said purposes; and

WHEREAS, it is the intention of the Board of County Commissioners of the County to adopt this resolution for the purposes of authorizing such notes, establishing the terms thereof, providing for the issuance, sale and payment of the notes and disposition of proceeds therefrom, and providing for the levy of a tax for the payment of principal thereof and interest thereon.

(a) For the purposes of funding the Projects, reimbursing the County for funds previously expended for costs of the Projects, if applicable, and paying costs incident to the issuance and sale of the Notes, as more fully set forth herein, there are hereby authorized to be issued general obligation capital outlay notes of the County in an aggregate principal amount of not to exceed \$2,000,000. The Notes shall be issued in fully registered, book-entry only form (except as otherwise provided herein), without coupons, shall be known as "General Obligation Capital Outlay Notes, Series 2019" and shall be dated the date of issuance, or have such other dated date or series designation as shall be determined by the County Mayor pursuant to Section 7 hereof. The rate or rates on the Notes shall not exceed the maximum rate

permitted under Tennessee law. Subject to the adjustments permitted pursuant to Section 7 hereof, interest on the Notes shall be payable semi-annually on June 1 and December 1 in each year, commencing December 1, 2019. The Notes shall be issued initially in \$5,000 denominations or integral multiples thereof, as shall be requested by the original purchaser thereof; provided that, if the Notes are not issued in book-entry form, the Notes may be issued in a lesser denomination as shall be agreed to by the original purchaser thereof. Subject to the adjustments permitted by Section 7 hereof, the Notes shall mature serially or be subject to mandatory redemption and be payable on June 1 of each year, commencing June 1, 2020, subject to prior optional redemption as hereinafter provided, in an amount that is estimated to be at least equal to an amortization that will reflect level debt service on the Notes, unless the requirement of periodic retirement shall be waived by the State Director. In no event shall any emission of the Notes mature later than the end of the twelfth (12th) fiscal year following the fiscal year in which such Notes are issued.

(b) Subject to the adjustments permitted by Section 7 hereof, the Notes shall be subject to redemption prior to maturity at the option of the County, as a whole or in part, at any time at the redemption price of par plus accrued interest to the redemption date.

If less than all of the Notes shall be called for redemption, the maturities to be redeemed shall be designated by the Board of County Commissioners of the County, in its discretion. If less than all of the principal amount of the Notes of a maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Notes are being held under a Book-Entry System by DTC, or a successor Depository, the amount of the interest of each DTC Participant in the Notes to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine, or

(ii) if the Notes are not being held under a Book-Entry System by DTC, or a successor Depository, the Notes within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

(c) Pursuant to Section 7 hereof, the County Mayor is authorized to sell the Notes, or any maturities thereof, as term notes ("Term Notes") with mandatory redemption requirements corresponding to the maturities set forth herein or as determined by the County Mayor. In the event any or all the Notes are sold as Term Notes, the County shall redeem Term Notes on redemption dates corresponding to the maturity dates set forth herein, in aggregate principal amounts equal to the maturity amounts established pursuant to Section 7 hereof for each redemption date, as such maturity amounts may be adjusted pursuant to Section 7 hereof, at a price of par plus accrued interest thereon to the date of redemption. The Term Notes to be redeemed within a single maturity shall be selected in the manner described in subsection (b) above.

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such mandatory redemption date, the County may (i) deliver to the Registration Agent for cancellation Term Notes to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Term Notes of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Term Note so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order,

and the principal amount of Term Notes to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

(d) Notice of call for redemption, whether optional or mandatory, shall be given by the Registration Agent on behalf of the County not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Notes to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Note registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Notes for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Notes, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Notes, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant or Beneficial Owner will not affect the validity of such redemption. The Registration Agent shall mail said notices as and when directed by the County pursuant to written instructions from an authorized representative of the County (other than for a mandatory sinking fund redemption, notices of which shall be given on the dates provided herein) given at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be satisfactory to the Registration Agent). From and after the redemption date, all Notes called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth herein. In the case of a Conditional Redemption, the failure of the County to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository, if applicable, or the affected Noteholders that the redemption did not occur and that the Notes called for redemption and not so paid remain outstanding.

(e) The County Mayor is hereby authorized and directed to appoint the Registration Agent for the Notes and the Registration Agent, so appointed, is hereby authorized and directed to maintain Note registration records with respect to the Notes, to authenticate and deliver the Notes as provided herein, either at original issuance or upon transfer, to effect transfers of the Notes, to give all notices of redemption as required herein, to make all payments of principal and interest with respect to the Notes as provided herein, to cancel and destroy Notes which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer, to furnish the County at least annually a certificate of destruction with respect to Notes canceled and destroyed, and to furnish the County at least annually an audit confirmation of Notes paid, Notes outstanding and payments made with respect to interest on the Notes. The County Mayor is hereby authorized to execute and the County Clerk is hereby authorized to attest such written agreement between the County and the Registration Agent as they shall deem necessary and proper with respect to the obligations, duties and rights of the Registration Agent. The payment of all reasonable fees and expenses of the Registration Agent for the discharge of its duties and obligations hereunder or under any such agreement is hereby authorized and directed.

(f) The Notes shall be payable, both principal and interest, in lawful money of the United States of America at the main office of the Registration Agent. The Registration Agent shall make all interest payments with respect to the Notes by check or draft on each interest payment date directly to the

registered owners as shown on the Note registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by depositing said payment in the United States mail, postage prepaid, addressed to such owners at their addresses shown on said Note registration records, without, except for final payment, the presentation or surrender of such registered Notes, and all such payments shall discharge the obligations of the County in respect of such Notes to the extent of the payments so made. Payment of principal of and premium, if any, on the Notes shall be made upon presentation and surrender of such Notes to the Registration Agent as the same shall become due and payable. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each. In the event the Notes are not registered in the name of DTC, or a successor Depository, if requested by the owner of at least \$1,000,000 in aggregate principal amount of the Notes, payment of interest on such Notes shall be paid by wire transfer to a bank within the continental United States or deposited to a designated account if such account is maintained with the Registration Agent and written notice of any such election and designated account is given to the Registration Agent prior to the record date.

(g) Any interest on any Note that is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the County to the persons in whose names the Notes are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner: the County shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the County shall deposit with the Registration Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon, not less than ten (10) days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which Date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered owners. The Registration Agent shall promptly notify the County of such Special Record Date and, in the name and at the expense of the County, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each registered owner at the address thereof as it appears in the Note registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in this Section or in the Notes shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the County to punctually pay or duly provide for the payment of principal of, premium, if any, and interest on the Notes when due.

(h) The Notes are transferable only by presentation to the Registration Agent by the registered owner, or his legal representative duly authorized in writing, of the registered Note(s) to be transferred with the form of assignment on the reverse side thereof completed in full and signed with the name of the registered owner as it appears upon the face of the Note(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Note(s) in such form and with such documentation, if any, the Registration Agent shall issue a new Note or the Note to the assignee(s) in \$5,000 denominations, or integral multiples thereof, as requested by the registered owner requesting transfer. The Registration Agent shall not be required to transfer or exchange any Note during the period commencing on a Regular or Special Record Date and ending on the corresponding interest payment date of such Note, nor to transfer or exchange any Note after the publication of notice calling such Note for redemption has been made, nor to transfer or

exchange any Note during the period following the receipt of instructions from the County to call such Note for redemption; provided, the Registration Agent, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Note, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Notes shall be overdue. The Notes, upon surrender to the Registration Agent, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of the Notes of the same maturity in any authorized denomination or denominations.

(i) The Notes shall be executed in such manner as may be prescribed by applicable law, in the name, and on behalf, of the County with the manual or facsimile signature of the County Mayor and with the official seal, or a facsimile thereof, of the County impressed or imprinted thereon and attested by the manual or facsimile signature of the County Clerk.

(j) Except as otherwise provided in this resolution, the Notes shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Notes. References in this Section to a Note or the Notes shall be construed to mean the Note or the Notes that are held under the Book-Entry System. One Note for each maturity shall be issued to DTC and immobilized in its custody. A Book-Entry System shall be employed, evidencing ownership of the Notes in authorized denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Notes. Beneficial ownership interests in the Notes may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners shall not receive the Notes representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Notes. Transfers of ownership interests in the Notes shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. **SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE NOTES, THE REGISTRATION AGENT SHALL TREAT CEDE & CO., AS THE ONLY HOLDER OF THE NOTES FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE NOTES, RECEIPT OF NOTICES, VOTING AND REQUESTING OR DIRECTING THE REGISTRATION AGENT TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS RESOLUTION.**

Payments of principal, interest, and redemption premium, if any, with respect to the Notes, so long as DTC is the only owner of the Notes, shall be paid by the Registration Agent directly to DTC or its nominee, Cede & Co. as provided in the Letter of Representation relating to the Notes from the County and the Registration Agent to DTC (the "Letter of Representation"). DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. The County and the Registration Agent shall not be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Notes or (2) the County determines that the continuation of the Book-Entry System of evidence and transfer of ownership of the Notes would adversely affect their interests or the interests of the Beneficial Owners of

the Notes, the County shall discontinue the Book-Entry System with DTC. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Notes in the form of fully registered Notes to each Beneficial Owner. If the purchaser of the Notes does not intend to reoffer the Notes to the public, then the County Mayor and the purchaser may agree that the Notes be issued in the form of fully registered certificated Notes and not utilize the Book-Entry System.

THE COUNTY AND THE REGISTRATION AGENT SHALL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DTC PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE NOTES; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE NOTES; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS, (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE NOTES; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS OWNER.

(k) The Registration Agent is hereby authorized to take such action as may be necessary from time to time to qualify and maintain the Notes for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Notes, utilization of electronic book entry data received from DTC in place of actual delivery of Notes and provision of notices with respect to Notes registered by DTC (or any of its designees identified to the Registration Agent) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the owners of the Notes, provided, however, that the Registration Agent shall not be liable with respect to any such arrangements it may make pursuant to this section.

(l) The Registration Agent is hereby authorized to authenticate and deliver the Notes to the original purchaser, upon receipt by the County of the proceeds of the sale thereof and to authenticate and deliver Notes in exchange for Notes of the same principal amount delivered for transfer upon receipt of the Note(s) to be transferred in proper form with proper documentation as hereinabove described. The Notes shall not be valid for any purpose unless authenticated by the Registration Agent by the manual signature of an officer thereof on the certificate set forth herein on the Note form.

(m) In case any Note shall become mutilated, or be lost, stolen, or destroyed, the County, in its discretion, shall issue, and the Registration Agent, upon written direction from the County, shall authenticate and deliver, a new Note of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Note, or in lieu of and in substitution for such lost, stolen or destroyed Note, or if any such Note shall have matured or shall be about to mature, instead of issuing a substituted Note the County may pay or authorize payment of such Note without surrender thereof. In every case the applicant shall furnish evidence satisfactory to the County and the Registration Agent of the destruction, theft or loss of such Note, and indemnity satisfactory to the County and the Registration Agent; and the County may charge the applicant for the issue of such new Note an amount sufficient to reimburse the County for the expense incurred by it in the issue thereof.

SECTION 4. Security and Source of Payment. The Notes shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of

principal of, premium, if any, and interest on the Notes, the full faith and credit of the County are hereby irrevocably pledged.

SECTION 5. Form of Notes. The Notes shall be in substantially the following form, the omissions to be appropriately completed when the Notes are prepared and delivered:

So long as Cede & Co., as nominee for DTC, is the registered owner of the Notes, the County and the Registration Agent shall treat Cede & Co., as the only owner of the Notes for all purposes under the Resolution, including receipt of all principal of, premium, if any, and interest on the Notes, receipt of notices, voting and requesting or taking or not taking, or consenting to, certain actions hereunder. The Notes shall be subject to redemption prior to maturity at the option of the County, as a whole or in part, at any time at the redemption price of par plus accrued interest to the redemption date.

If less than all the Notes shall be called for redemption, the maturities to be redeemed shall be designated by the Board of County Commissioners of the County, in its discretion. If less than all the principal amount of the Notes of a maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Notes are being held under a Book-Entry System by DTC, or a successor Depository, the amount of the interest of each DTC Participant in the Notes to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

If DTC, or another securities depository is no longer serving as securities depository for the Notes, the Notes to be redeemed within a maturity shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall select. The dates of redemption and principal amount of Notes to be redeemed on said dates are as follows:

Each Note so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Notes to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.]

Notice of call for redemption[, whether optional or mandatory,] shall be given by the Registration Agent not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Notes to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Note registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Notes for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date (“Conditional Redemption”). [As long as DTC, or a successor Depository, is the registered owner of the Notes, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Notes, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to

DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant will not affect the validity of such redemption.] From and after any redemption date, all Notes called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth in the Resolution, as hereafter defined. In the case of a Conditional Redemption, the failure of the County to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository, if applicable, or the affected Noteholders that the redemption did not occur and that the Notes called for redemption and not so paid remain outstanding.

This Note is transferable by the registered owner hereof in person or by such owner's attorney duly authorized in writing at the principal corporate trust office of the Registration Agent set forth on the front side hereof, but only in the manner, subject to limitations and upon payment of the charges provided in the Resolution, as hereafter defined, and upon surrender and cancellation of this Note. Upon such transfer a new Note or Notes of authorized denominations of the same maturity and interest rate for the same aggregate principal amount will be issued to the transferee in exchange therefor. The person in whose name this Note is registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Note shall be overdue. Notes, upon surrender to the Registration Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of the Notes of the same maturity in authorized denomination or denominations, upon the terms set forth in the Resolution. The Registration Agent shall not be required to transfer or exchange any Note during the period commencing on a Regular Record Date or Special Record Date and ending on the corresponding interest payment date of such Note, nor to transfer or exchange any Note after the notice calling such Note for redemption has been made, nor during a period following the receipt of instructions from the County to call such Note for redemption.

This Note is one of a total authorized issue aggregating \$ _____ and issued by the County for the purpose of financing the (i) acquisition of land for and/or the acquisition, construction, improvement, repair, renovation, maintenance and equipping of a County jail facility, (ii) acquisition of all property, real and personal, appurtenant to the foregoing; (iii) payment of legal, fiscal, administrative, architectural and engineering costs incident to the foregoing (collectively, the "Projects"); (iv) reimbursement for funds previously expended for costs of the Projects, if applicable, and (v) payment of costs incident to the issuance and sale of the Notes of which this Note is one, under and in full compliance with the constitution and statutes of the State of Tennessee, including Sections 9-21-101, et seq., Tennessee Code Annotated, and pursuant to a resolution duly adopted by the Board of County Commissioners of the County on the 24th day of June, 2019 (the "Resolution").

This Note is payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of principal of and interest on this Note, the full faith and credit of the County are irrevocably pledged.

This Note and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on interest on the Note during the period the Note is held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Note in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is hereby certified, recited, and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Note exist, have happened and have

been performed in due time, form and manner as required by law, and that the amount of this Note, together with all other indebtedness of the County, does not exceed any limitation prescribed by the constitution and statutes of the State of Tennessee.

IN WITNESS WHEREOF, the County has caused this Note to be signed by its County Mayor and attested by its County Clerk under the seal of the County, all as of the date hereinabove set forth.

SECTION 6. Levy of Tax. The County, through its Governing Body, shall annually levy and collect a tax upon all taxable property within the County, in addition to all other taxes authorized by law, sufficient to pay principal of, premium, if any, and interest on the Notes when due, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay principal of, premium, if any, and interest coming due on the Notes in said year. Principal, premium, if any, and interest falling due at any time when there are insufficient funds from this tax levy on hand shall be paid from the current funds of the County and reimbursement therefor shall be made out of the taxes hereby provided to be levied when the same shall have been collected. The tax herein provided may be reduced to the extent of any appropriations from other funds, taxes and revenues of the County to the payment of debt service on the Notes.

SECTION 7. Sale of Notes.

(a) The Notes shall be offered by informal bid or competitive sale in the manner required by Sections 9-21-101, et seq., Tennessee Code Annotated, at a price of not less than ninety-nine percent (99%) of par, plus accrued interest, if any, as a whole or in part, from time to time, as shall be determined by the County Mayor, in consultation with the Municipal Advisor.

(b) To facilitate the sale of the Notes in a manner that is in the best interest of the County and achieves the County's objectives, the County Mayor is authorized:

- (1) to change the dated date of the Notes, or any emission thereof, to a date other than the date of issuance and to change the designation of the Notes to a designation other than "General Obligation Capital Outlay Notes, Series 2019";
- (2) to change the first interest payment due on the Notes or any emission thereof to a date other than December 1, 2019; provided that such date is not later than twelve months from the dated date of the Notes;
- (3) to change the principal and interest payment dates of the Notes, provided that principal on any emission of the Notes is payable annually, unless such requirement is waived by the State Director, and no emission of the Notes matures later than the end of the twelfth (12th) fiscal year following the fiscal year in which such Notes are issued;
- (4) to adjust or remove the optional redemption provisions of the Notes, provided that the premium amount to be paid on the Notes does not exceed one percent (1%) of the principal amount thereof if the Notes are sold at par; and

- (5) to sell the Notes or any maturities thereof as Term Notes with mandatory redemption requirements corresponding to the maturity dates set forth herein or as otherwise determined by the County Mayor, as he shall deem most advantageous to the County.

(c) The County Mayor is authorized to sell the Notes, or any emission thereof, simultaneously with any other bonds or notes authorized by resolution or resolutions of the Governing Body. The County Mayor is further authorized to sell the Notes, or any emission thereof, as a single issue of notes with any other notes with substantially similar terms authorized by resolution or resolutions of the Governing Body, in one or more emissions or series as he shall deem to be advantageous to the County, provided, however, that the total aggregate principal amount of combined notes to be sold does not exceed the total principal amount of Notes authorized by the resolution or notes authorized by any other resolution or resolutions adopted by the Governing Body.

(d) The County Mayor is authorized to award the Notes, or any series thereof, in each case to the bidder whose bid results in the lowest true interest cost to the County, provided the rate or rates on the Notes does not exceed the maximum rate prescribed by Section 4 hereof. The award of the Notes by the County Mayor to the lowest bidder shall be binding on the County, and no further action of the Governing Body with respect thereto shall be required.

(e) The County Mayor and the County Clerk, or either of them, are authorized to cause the Notes to be authenticated and delivered by the Registration Agent to the successful bidder and to execute, publish and deliver all certificates and documents, as they shall deem necessary in connection with the sale and delivery of the Notes. The County Mayor is hereby authorized to enter into a contract with the Municipal Advisor, for financial advisory services in connection with the sale of the Notes and to enter into a contract with Bass, Berry & Sims PLC to serve as bond counsel in connection with the Notes, and all actions heretofore taken by the officers of the County in that regard are hereby ratified and approved. A form of the engagement letter for bond counsel's services is attached hereto as Exhibit B.

SECTION 8. Disposition of Note Proceeds. The proceeds of the sale of the Notes shall be applied by the County as follows:

(a) All accrued interest, if any, shall be deposited to the appropriate fund of the County to be used to pay interest on the Notes on the first interest payment date following delivery of each emission of the Notes.

(b) The remainder of the proceeds of the sale of the Notes shall be deposited with a financial institution regulated by the Federal Deposit Insurance Corporation or similar federal agency in a special fund known as the Series 2019 Capital Outlay Note Construction Fund (the "Construction Fund"), or such other designation as shall be determined by the County Mayor to be kept separate and apart from all other funds of the County. The County shall disburse funds in the Construction Fund to pay costs of issuance of the Notes, including necessary legal, accounting and fiscal expenses, printing, engraving, advertising and similar expenses, administrative and clerical costs, Registration Agent fees, bond insurance premiums, if any, and other necessary miscellaneous expenses incurred in connection with the issuance and sale of the Notes. Notwithstanding the foregoing, costs of issuance of the Notes may be withheld from the good faith deposit or purchase price of the Notes and paid to the Municipal Advisor to be used to pay costs of issuance of the Notes. The remaining funds in the Construction Fund shall be disbursed solely to pay the costs of the Projects and to reimburse the County for any funds previously expended for costs of the Projects. Money in the Construction Fund shall be secured in the manner prescribed by applicable statutes relative to the securing of public or trust funds, if any, or, in the absence of such a

statute, by a pledge of readily marketable securities having at all times a market value of not less than the amount in said Construction Fund. Money in the Construction Fund shall be expended only for the purposes authorized by this resolution. Moneys in the Construction Fund shall be invested at the direction of the County Trustee in such investments as shall be permitted by applicable law to the extent permitted by applicable law. Earnings from such investments shall be, to the extent permitted by applicable law: (i) deposited to the Construction Fund to reimburse the Construction Fund for any costs of issuance paid related to the issuance of the Notes, (ii) deposited to the Construction Fund to the extent needed for the Projects or (iii) transferred to the County's debt service fund to the extent permitted by applicable law to be used to pay interest on the Notes.

(c) In accordance with state law, the various department heads responsible for the fund or funds receiving and disbursing funds are hereby authorized to amend the budget of the proper fund or funds for the receipt of proceeds from the issuance of the Notes authorized by this resolution, including Note proceeds, accrued interest and other receipts from this transaction. The department heads responsible for the fund or funds are further authorized to amend the proper budgets to reflect the appropriations and expenditures of the receipts authorized by this resolution.

SECTION 9. Official Statement. The County Mayor and the County Clerk, or either of them, working with the Municipal Advisor, are hereby authorized and directed to provide for the preparation and distribution, electronic or otherwise, of a Preliminary Official Statement or other offering circular describing the Notes. After the Notes have been sold, the County Mayor and the County Clerk, or either of them, shall make such completions, omissions, insertions and changes in the Preliminary Official Statement or other offering circular not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement or offering circular for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. The County Mayor and the County Clerk, or either of them, shall arrange for the delivery of a reasonable number of copies of the Official Statement or offering circular within seven (7) business days after the Notes have been sold to the successful bidder to each person to whom such bidder requesting a copy of the Official Statement or offering circular and to each person to whom such bidder and members of its bidding group initially sell the Notes.

The County Mayor and the County Clerk, or either of them, are authorized, on behalf of the County, to deem the Preliminary Official Statement and the Official Statement, or offering circulars, in final form, each to be final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement or preliminary offering circular of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement or preliminary offering circular and the Official Statement or final offering circular in final form shall be conclusive evidence that each has been deemed in final form as of its date by the County except for the omission in the Preliminary Official Statement or preliminary offering circular of such pricing and other information.

If the Notes are sold to a purchaser that does not intend to reoffer the Notes to the public as evidenced by a certificate executed by the purchaser, then an Official Statement or offering circular is authorized, but not required, as shall be determined by the County Mayor.

SECTION 10. Federal Tax Matters. The County recognizes that the purchasers and owners of the Notes will have accepted them on, and paid therefor a price that reflects, the understanding that interest thereon is excludable from gross income for purposes of federal income taxation under laws in force on the date of delivery of the Notes. In this connection, the County agrees that it shall take no action which may cause the interest on any of said Notes to be included in gross income for federal income taxation. It is the reasonable expectation of the Governing Body of the County that the proceeds of the Notes will not be used in a manner which will cause the Notes to be "arbitrage bonds" within the

meaning of Section 148 of the Code, and to this end the said proceeds of the Notes and other related funds established for the purposes herein set out shall be used and spent expeditiously for the purposes described herein. The Governing Body further covenants and represents that in the event it shall be required by Section 148(f) of the Code to pay any investment proceeds of the Notes to the United States government, it will make such payments as and when required by said Section 148(f) and will take such other actions as shall be necessary or permitted to prevent the interest on the Notes from becoming taxable. The County Mayor and the County Clerk, or either of them, are authorized and directed to make such certifications in this regard in connection with the sale of the Notes as either or both shall deem appropriate, and such certifications shall constitute a representation and certification of the County.

SECTION 11. Discharge and Satisfaction of Notes. If the County shall pay and discharge the indebtedness evidenced by any of the Notes in any one or more of the following ways, to wit:

(a) By paying or causing to be paid, by deposit of sufficient funds as and when required with the Registration Agent, the principal of and interest on such Notes as and when the same become due and payable;

(b) By depositing or causing to be deposited with any trust company or financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or similar federal agency and which has trust powers (an "Agent"; which Agent may be the Registration Agent) in trust or escrow, on or before the date of maturity or redemption, sufficient money or Federal Obligations, as hereafter defined, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Notes and to pay interest thereon when due until the maturity or redemption date (provided, if such Notes are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice);

(c) By delivering such Notes to the Registration Agent, for cancellation by it;

and if the County shall also pay or cause to be paid all other sums payable hereunder by the County with respect to such Notes, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Agent to pay amounts when and as required to the Registration Agent for the payment of principal of and interest on such Notes when due, then and in that case the indebtedness evidenced by such Notes shall be discharged and satisfied and all covenants, agreements and obligations of the County to the holders of such Notes shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the County shall pay and discharge the indebtedness evidenced by any of the Notes in the manner provided in either clause (a) or clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Federal Obligations deposited as aforesaid.

Except as otherwise provided in this Section, neither Federal Obligations nor moneys deposited with the Registration Agent pursuant to this Section nor principal or interest payments on any such Federal Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and interest on said Notes; provided that any cash received from such principal or interest payments on such Federal Obligations deposited with the Registration Agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the County as received by the Registration Agent and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Obligations maturing at times and in amounts sufficient to pay when due the principal and interest to become due on said Notes on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the County, as received by the Registration Agent. For the purposes

of this Section, Federal Obligations shall mean direct obligations of, or obligations, the principal of and interest on which are guaranteed by, the United States of America, or any agency thereof, obligations of any agency or instrumentality of the United States or any other obligations at the time of the purchase thereof are permitted investments under Tennessee law for the purposes described in this Section, which notes or other obligations shall not be subject to redemption prior to their maturity other than at the option of the registered owner thereof.

SECTION 12. Continuing Disclosure. The County hereby covenants and agrees that it will provide annual financial information and event notices if and as required by Rule 15c2-12 of the Securities Exchange Commission for the Notes. The County Mayor is authorized to execute at the closing of the sale of the Notes, an agreement for the benefit of and enforceable by the owners of the Notes specifying the details of the financial information and event notices to be provided and its obligations relating thereto. Failure of the County to comply with the undertaking herein described and to be detailed in said closing agreement, shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Notes to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause the County to comply with their undertaking as set forth herein and in said agreement, including the remedies of mandamus and specific performance.

SECTION 13. Resolution a Contract. The provisions of this resolution shall constitute a contract between the County and the registered owners of the Notes, and after the issuance of the Notes, no change, variation or alteration of any kind in the provisions of this resolution shall be made in any manner until such time as the Notes and interest due thereon shall have been paid in full.

SECTION 14. Qualified Tax-Exempt Obligations. The Governing Body hereby designates the Notes as "qualified tax-exempt obligations", within the meaning of Section 265 of the Internal Revenue Code of 1986, as amended, if and to the extent the Notes may be so designated and to the extent not "deemed designated".

SECTION 15. Reasonably Expected Economic Life. The "reasonably expected economic life" of the Projects within the meaning of Sections 9-21-101 et seq., Tennessee Code Annotated, is greater than the term of the Notes.

SECTION 16. Reimbursement. It is reasonably expected that the County will reimburse itself for certain expenditures made by it in connection with the Projects by issuing the Notes. This resolution shall be placed in the minutes of the Governing Body and shall be made available for inspection by the general public at the office of the Governing Body. This resolution constitutes a declaration of official intent under Treas. Reg. §1.150-2.

SECTION 17. Separability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

SECTION 18. Compliance with Debt Management Policy. The County has adopted a debt management policy, as required by the State Funding Board of the State of Tennessee. The Governing Body hereby finds that the issuance and sale of the Notes, as proposed herein, are consistent with the County's debt management policy. Estimated debt service and costs of issuance are attached as Exhibit A hereto.

SECTION 19. Repeal of Conflicting Resolutions. All other resolutions and orders, or parts thereof, in conflict with the provisions of this resolution, are, to the extent of such conflict, hereby repealed.

SECTION 20. Effective Date. That this resolution shall take effect from and after its passage, the general welfare of Franklin County, Tennessee requiring it.

FORM OF ENGAGEMENT LETTER

(attached)

June 24, 2019

Franklin County, Tennessee
Winchester, Tennessee
Attention: David Alexander, County Mayor

**Re: Issuance of Not to Exceed \$2,000,000 in Aggregate Principal Amount of
General Obligation Capital Outlay Notes, Series 2019.**

Dear County Mayor:

The purpose of this engagement letter is to set forth certain matters concerning the services we will perform as bond counsel to Franklin County, Tennessee (the "Issuer"), in connection with the issuance of the above-referenced notes (the "Notes"). We understand that the Notes are being issued for the purposes of providing funds necessary to finance certain public works projects of the Issuer and to pay the costs incident to the sale and issuance of the Notes. We further understand that the Notes will be sold at competitive sale.

SCOPE OF ENGAGEMENT

In this engagement, we expect to perform the following duties:

- (1) Subject to the completion of proceedings to our satisfaction, render our legal opinion (the "Bond Opinion") regarding the validity and binding effect of the Notes, the source of payment and security for the Notes, and the excludability of interest on the Notes from gross income for federal income tax purposes.
- (2) Prepare and review documents necessary or appropriate for the authorization, issuance and delivery of the Notes, coordinate the authorization and execution of such documents, and review enabling legislation.
- (3) Assist the Issuer in seeking from other governmental authorities such approvals, permissions and exemptions as we determine are necessary or appropriate in connection with the authorization, issuance, and delivery of the Notes, except that we will not be responsible for any required blue-sky filings.
- (4) Review legal issues relating to the structure of the Notes; and
- (5) Prepare those sections of the official statement (if applicable) to be disseminated in connection with the sale of the Notes involving the description of (i) federal law pertinent to the validity of the Notes and the tax law treatment thereon, (ii) the terms of the Notes and (iii) our Bond Opinion.

Our Bond Opinion will be addressed to the Issuer and the purchaser of the Notes and will be delivered by us on the date the Notes are exchanged for its purchase price (the "Closing").

The Bond Opinion will be based on facts and law existing as of its date. In rendering our Bond Opinion, we will rely upon the certified proceedings and other certifications of public officials and other persons furnished to us without undertaking to verify the same by independent investigation, and we will assume continuing compliance by the Issuer with applicable laws relating to the Notes. During the course of this engagement, we will rely on you to provide us with complete and timely information on all developments pertaining to any aspect of the Notes and their security. We understand that you will direct members of your staff and other employees of the Issuer to cooperate with us in this regard.

Our duties in this engagement are limited to those expressly set forth above. Among other things, our duties do not include:

- a.
 - 1) Assisting in the preparation or review of an official statement or any other disclosure document with respect to the Notes other than as described in (5) above, or
 - 2) Performing an independent investigation to determine the accuracy, completeness or sufficiency of any such document, or
 - 3) Rendering advice that the official statement or other disclosure documents
 - i) Do not contain any untrue statement of a material fact or
 - ii) Do not omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.
- b. Preparing requests for tax rulings from the Internal Revenue Service, or no action letters from the Securities and Exchange Commission.
- c. Preparing blue sky or investment surveys with respect to the Notes.
- d. Drafting state constitutional or legislative amendments.
- e. Pursuing test cases or other litigation, (such as contested validation proceedings) except as set forth above.
- f. Making an investigation or expressing any view as to the creditworthiness of the Issuer or the Notes.
- g. Except for defending our Bond Opinion, representing the Issuer in Internal Revenue Service examinations or inquiries, or Securities and Exchange Commission investigations.
- h. After Closing, providing continuing advice to the Issuer or any other party concerning any actions necessary to assure that interest paid on the Notes will continue to be excludable from gross income for federal income tax purposes (*e.g.*, our engagement does not include rebate calculations for the Notes).
- i. Opining on a continuing disclosure undertaking pertaining to the Notes or, after Closing, providing advice concerning any actions necessary to assure compliance with any continuing disclosure undertaking.

- j. Addressing any other matter not specifically set forth above that is not required to render our Bond Opinion.

ATTORNEY-CLIENT RELATIONSHIP

Upon execution of this engagement letter, the Issuer will be our client and an attorney-client relationship will exist between us. We assume that all other parties will retain such counsel as they deem necessary and appropriate to represent their interests in this transaction. We further assume that all other parties understand that in this transaction we represent only the Issuer, we are not counsel to any other party, and we are not acting as an intermediary among the parties. Our services as bond counsel are limited to those contracted for in this letter; the Issuer's execution of this engagement letter will constitute an acknowledgment of those limitations. In our representation of the Issuer, we will not act as a "municipal advisor," as such term is defined in the Securities Exchange Act of 1934, as amended.

Our representation of the Issuer and the attorney-client relationship created by this engagement letter will be concluded upon issuance of the Notes. Nevertheless, subsequent to Closing, we will mail the appropriate Internal Revenue Service Form 8038-G, and prepare and distribute to the participants in the transaction a transcript of the proceedings pertaining to the Notes.

As you are aware, our firm represents many political subdivisions, companies and individuals. It is possible that during the time that we are representing the Issuer, one or more of our present or future clients will have transactions with the Issuer. It is also possible that we may be asked to represent, in an unrelated matter, one or more of the entities involved in the issuance of the Notes. We do not believe such representation, if it occurs, will adversely affect our ability to represent you as provided in this letter, either because such matters will be sufficiently different from the issuance of the Notes as to make such representations not adverse to our representation of you, or because the potential for such adversity is remote or minor and outweighed by the consideration that it is unlikely that advice given to the other client will be relevant to any aspect of the issuance of the Notes.

Our firm also represents Mallinckrodt Inc. in the defense of opioid litigation cases filed in Tennessee. Franklin County is a plaintiff in one of those cases. The execution of this letter will constitute a waiver and thereby permit us to represent the Issuer as bond counsel while also representing Mallinckrodt in the opioid litigation. The attorneys who represent Mallinckrodt do not and will not handle any matters for the Issuer (and vice versa). We do not believe that our role as bond counsel will privy us to any information that could adversely affect the Issuer in the opioid litigation.

FEEES

Based upon: (i) our current understanding of the terms, structure, size and schedule of the financing represented by the Notes; (ii) the duties we will undertake pursuant to this engagement letter; (iii) the time we anticipate devoting to the financing; and (iv) the responsibilities we will assume in connection therewith, our fee will be \$_____. The fee quoted above will include all out-of-pocket expenses advanced for your benefit.

RECORDS

At your request, papers and property furnished by you will be returned promptly upon receipt of payment for outstanding fees and client charges. All goods, documents, records, and other work product and property produced during the performance of this contract are deemed to be Issuer's property. Our own files, including lawyer work product, pertaining to the transaction will be retained by us for a period of three (3) years and be subject to inspection by Issuer upon reasonable notice.

OTHER MATTERS

We have not retained any persons to solicit or secure this engagement from the Issuer upon an agreement or understanding for a contingent commission, percentage, or brokerage fee. We have not offered any employee of the Issuer a gratuity or an offer of employment in connection with this engagement and no employee has requested or agreed to accept a gratuity or offer of employment in connection with this engagement.

Any modification or amendment to this engagement letter must be in writing, executed by us and contain the signature of the Issuer. The validity, construction and effect of this engagement letter and any and all extensions and/or modifications thereof shall be governed by the laws of the State of Tennessee.

CONCLUSION

If the foregoing terms are acceptable to you, please so indicate by returning the enclosed copy of this engagement letter dated and signed by an authorized officer, retaining the original for your files. We look forward to working with you.
