3rd Quarter Report FY 2017-2018

- The pavilion has taken in \$2650.00 in rental fees during the quarter. It stays rented out almost daily to the saddle horse and trick riding associations.
- We replaced the signs at the Southern TN Pavilion with two really nice, decorative metal signs that accentuates the usage of the facility.
- Other than special events like picnics and weddings, Dry Creek Beach will re-open in the Spring May 25th 2018. Please spread the word that the beach is available for rentals for weddings, church parties, social clubs and the like. It is a beautiful venue at a cheap rate of \$150.00 for the day.
- We plan on adding another small pavilion at the beach 16'X 20' in the spring using county / inmate labor if the budget allows.

Very Respectfully,

FC REC/PAV Director: William Anderson

Franklin County Solid Waste

3rd Quarter Report FY 2017-2018

- Our department has had a very successful campaign with Nissan to date for disposal of their wood waste. The arrangement seems to be working well for both parties and we hope for many more years of partnership.
- We were awarded a recycling equipment grant from TDEC valued at approximately \$27,000 for the purchase of a new fork-lift. Our match is 40%.
- Golder and Associates is finalizing our RFP for the waste to energy facility. They will hopefully have it sent out in order to obtain realistic cost before the new fiscal year.
- Cardboard and paper prices have dropped to almost nothing as a commodity. Hopefully the market will return shortly as this is one of our big sources of revenue and self-funding.
- The Solid Waste Department should finish the year with-in budget with little funding left to spare.

Very Respectfully,

FCSW Director: William Anderson

AGREEMENT

This **AGREEMENT** is effective as of the ____ day of _____, 2017 (the “Effective Date”), and is between the County of Franklin, Tennessee (the “Franchising Authority” or the “County”), and Comcast of Nashville II, LLC (the “Company”). For purposes of this Agreement, unless otherwise defined in this Agreement, the capitalized terms, phrases, words, and their derivations, shall have the meanings set forth in Appendix A.

The Franchising Authority, having determined that the financial, legal, and technical ability of the Company is reasonably sufficient to provide the services, facilities, and equipment necessary to meet the current and future cable-related needs of the community and that, as of the Effective Date, the Company is in material compliance with the terms and conditions of the cable franchise preceding this Agreement, desires to enter into this Agreement with the Company for the construction, operation, and maintenance of a Cable System on the terms and conditions set forth herein. In consideration of the mutual covenants and agreements contained in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby covenant and agree as follows:

SECTION 1 GRANT OF AUTHORITY

1.1 Grant of Franchise. The Franchising Authority hereby grants under the Cable Act a nonexclusive franchise (the “Franchise”) to occupy and use the Streets within the Franchise Area in order to construct operate, maintain, upgrade, repair, and remove the Cable System, and provide Cable Services through the Cable System, subject to the terms and conditions of this Agreement. This Franchise authorizes Cable Service, and it does not grant or prohibit the right(s) of the Company to provide other services.

1.2 Term of Franchise. This Franchise shall be in effect for a period of ten (10) years commencing on the Effective Date, unless renewed or lawfully terminated in accordance with this Agreement and the Cable Act.

1.3 Renewal. Subject to Section 626 of the Cable Act (47 U.S.C. § 546) and such terms and conditions as may lawfully be established by the Franchising Authority, the Franchising Authority reserves the right to grant or deny renewal of the Franchise.

1.4 Reservation of Authority. Nothing in this Agreement shall (i) abrogate the right of the Franchising Authority to perform any public works or public improvements of any description, (ii) be construed as a waiver of any codes or ordinances of the Franchising Authority or of the Franchising Authority’s right to require the Company or any Person utilizing the Cable System to secure the appropriate permits or authorizations for its use, or (iii) be construed as a waiver or release of the rights of the Franchising Authority in and to the Streets. Notwithstanding the above, in the event of any conflict between this Agreement and any code or ordinance adopted by the Franchising Authority, the terms and conditions of this Agreement shall prevail.

1.5 Competitive Equity and Subsequent Action Provisions.

1.5.1 Purposes. The Company and the Franchising Authority acknowledge that there is increasing competition in the video marketplace among cable operators, direct broadcast satellite providers, telephone companies, broadband content providers, and others; new technologies are emerging that enable the provision of new and advanced services to County of Franklin, TN residents; and changes in the scope and application of the traditional regulatory framework governing the provision of Video Services are being considered in a variety of federal, state, and local venues. To foster an environment where all Cable Service Providers and Video Service Providers using the Streets can compete on a competitively neutral and nondiscriminatory basis; encourage the provision of new and advanced services to Franklin residents; promote local communications infrastructure investments and economic opportunities in the County of Franklin; and provide flexibility in the event of subsequent changes in the law, the Company and the Franchising Authority have agreed to the provisions in this Section 1.5, and these provisions should be interpreted and applied with these purposes in mind. The parties agree that the Franchising Authority shall not be required to execute a franchise agreement or authorization with a competitive CSP or VSP that is identical, word-for-word, with this Agreement to avoid triggering the provisions of this Section 1.5, so long as the regulatory and financial burdens on and benefits to each CSP or VSP are materially equivalent to the burdens on and benefits to the Company. "Materially equivalent" provisions include but are not limited to: franchise fees and the definition of Gross Revenues; system build-out requirements; security instruments; public, education and government access channels and support; customer service standards; and audits.

1.5.2 Fair Terms for All Providers. Notwithstanding any other provision of this Agreement or any other provision of law,

(a) If any VSP or CSP enters into any agreement with the Franchising Authority to provide Video Services or Cable Services to Subscribers in the Franchise Area, the Franchising Authority and the Company, upon written request of the Company, will use best efforts in good faith to negotiate the Company's proposed Franchise modifications, and such negotiation will proceed and conclude within sixty (60) days, unless that period is reduced or extended by mutual agreement of the parties. If the Franchising Authority and the Company agree to Franchise modifications pursuant to such negotiations, then the Franchising Authority shall amend this Agreement to include the modifications.

If there is no written agreement or other authorization between the new VSP or CSP and the Franchising Authority, the Company and the Franchising Authority shall use the sixty (60) day period to develop and enter into an agreement or other appropriate authorization (to the extent the Company determines an agreement or authorization is necessary) that to the maximum extent possible contains provisions that will ensure competitive equity between the Company and other VSPs or CSPs, taking into account the terms and conditions under which the new VSP or CSP is allowed to provide Video Services or Cable Services to Subscribers in the Franchise Area.

(b) Following the Franchise modification negotiations provided for in Section 1.5.2(a), if the Franchising Authority and the Company fail to reach agreement in such negotiations, the Company may, at its option, elect to replace this Agreement by opting in to the same franchise agreement or other lawful authorization that the Franchising Authority has granted to the new VSP or CSP. If the Company so elects, the Franchising Authority shall adopt the Company's replacement agreement at the next regularly scheduled county council meeting.

(c) The Franchising Authority shall at all times enforce the state and federal ban on providing Cable Service without a franchise. The Franchising Authority's enforcement efforts shall be continuous and diligent throughout the term of this Agreement. Should the Franchising Authority not commence enforcement efforts within sixty (60) days of becoming aware of a VSP or CSP providing Video Service or Cable Service within the Franchise Area, the Company shall have the right to petition the Franchising Authority for the relief provided in Section 1.5.2 above.

(d) This Section 1.5.2 shall not apply for VSPs or CSPs providing Video Service or Cable Service in the Franchise Area under the authorization of the Tennessee Competitive Cable & Video Services Act of 2008 (T.C.A. § 7-59-301, *et seq.*).

1.5.3 Subsequent Change in Law. If there is a change in federal, state, or local law that provides for a new or alternative form of authorization, subsequent to the Effective Date, for a VSP or CSP utilizing the Streets to provide Video Services or Cable Services to Subscribers in the Franchise Area, or that otherwise changes the nature or extent of the obligations that the Franchising Authority may request from or impose on a VSP or CSP providing Video Services or Cable Services to Subscribers in the Franchise Area, the Franchising Authority agrees that, notwithstanding any other provision of law, upon the written request and at the option of the Company, the Franchising Authority shall: (i) permit the Company to provide Video Services or Cable Services to Subscribers in the Franchise Area on substantially the same terms and conditions as are applicable to a VSP or CSP under the changed law; (ii) modify this Agreement to comply with the changed law; or (iii) modify this Agreement to ensure competitive equity between the Company and other VSPs or CSPs, taking into account the conditions under which other VSPs or CSPs are permitted to provide Video Services or Cable Services to Subscribers in the Franchise Area. The Franchising Authority and the Company shall implement the provisions of this Section 1.5.3 within sixty (60) days after the Company submits a written request to the Franchising Authority. Should the Franchising Authority fail to implement these provisions within the time specified, this Agreement shall, at the Company's option and upon written notice to the Franchising Authority, be deemed amended as initially requested by the Company under this Section 1.5.3. Notwithstanding any provision of law that imposes a time or other limitation on the Company's ability to take advantage of the changed law's provisions, the Company may exercise its rights under this Section 1.5.3 at any time, but not sooner than thirty (30) days after the changed law goes into effect.

1.5.4 Effect on This Agreement. Any agreement, authorization, right, or determination to provide Cable Services or Video Services to Subscribers in the Franchise Area under this Section 1.5 shall supersede this Agreement.

SECTION 2 THE CABLE SYSTEM

2.1 The System and Its Operations.

2.1.1 Service Area. As of the Effective Date, the Company operates a Cable System within the Franchise Area.

2.1.2 System. As of the Effective Date, the Company maintains and operates a Cable System capable of providing over 250 Channels of Video Programming, which Channels may be delivered by analog, digital, or other transmission technologies, at the sole discretion of the Company.

2.1.3 System Technical Standards. Throughout the term of this Agreement, the Cable System shall be designed, maintained, and operated such that quality and reliability of System Signal will be in compliance with all applicable consumer electronics equipment compatibility standards, including but not limited to Section 624A of the Cable Act (47 U.S.C. § 544a) and 47 C.F.R. § 76.630, as may be amended from time to time.

2.1.4 Testing Procedures; Technical Performance. Throughout the term of this Agreement, the Company shall operate and maintain the Cable System in accordance with the testing procedures and the technical performance standards of the FCC.

2.2 Requirements with Respect to Work on the System.

2.2.1 General Requirements. The Company shall comply with ordinances, rules, and regulations established by the Franchising Authority pursuant to the lawful exercise of its police powers and generally applicable to all users of the Streets. To the extent that local ordinances, rules, or regulations clearly conflict with the terms and conditions of this Agreement, the terms and conditions of this Agreement shall prevail, except where such conflict arises from the Franchising Authority's lawful exercise of its police powers.

2.2.2 Protection of Underground Utilities. Both the Company and the Franchising Authority shall comply with the Tennessee Underground Utility Damage Prevention Act (T.C.A. § 65-31-101, *et seq.*), relating to notification prior to excavation near underground utilities, as may be amended from time to time.

2.3 Permits and General Obligations.

2.3.1 The Company shall be responsible for obtaining all permits, licenses, or other forms of approval or authorization necessary to construct, operate, maintain, or repair the Cable System, or any part thereof, prior to the commencement of any such activity. The Franchising Authority shall not charge the Company, and the Company shall not be required to pay, any fee or charge for the issuance of permits, licenses, or other approvals, as such payments are included in the franchise fees described in Section 4 below. The Franchising Authority shall make all reasonable efforts to issue permits, licenses, or other approvals within ten (10) business days. The Company shall be solely responsible, either through its employees or its authorized contractors, for constructing, installing, and

maintaining the Cable System in a safe, thorough, and reliable manner in accordance with all applicable standards and using materials of good and durable quality. The Company shall assure that any person installing, maintaining, or removing its facilities is fully qualified and familiar with all applicable standards. No third party shall tamper with, relocate, or otherwise interfere with the Company's facilities in the rights-of-way without the Company's approval and supervision; provided, however, that the Company shall make all reasonable efforts to coordinate with other users of the Streets to facilitate the execution of projects and minimize disruption in the public rights-of-way. All transmission and distribution structures, poles, other lines, and equipment installed by the Company for use in the Cable System in accordance with this Agreement shall be located so as to minimize interference with the proper use of the Streets and the rights and reasonable convenience of property owners who own property adjoining the Streets.

2.3.2 Code Compliance. The Company shall comply with all applicable building, safety, and construction codes. The parties agree that at present, Cable Systems are not subject to the low voltage regulations of the National Electric Code, National Electrical Safety Code, or other such codes or regulations. In the event that the applicable codes are revised such that Cable Systems become subject to low voltage regulations without being grandfathered or otherwise exempted, the Company will thereafter be required to comply with those regulations.

2.4 Conditions on Street Occupancy.

2.4.1 New Grades or Lines. If the grades or lines of any Street within the Franchise Area are lawfully changed at any time during the term of this Agreement, then the Company shall, upon at least ninety (90) days' advance written notice from the Franchising Authority and at its own cost and expense, protect or promptly alter or relocate the Cable System, or any part thereof, so as to conform with the new grades or lines. If public funds are available to any Person using the Street for the purpose of defraying the cost of any of the foregoing work, the Franchising Authority shall make application for such funds on behalf of the Company. The Company shall be entitled to reimbursement of its costs should any other utility be so compensated as a result of a required protection, alteration, or relocation of its facilities. Notwithstanding the above, the Company shall not be liable for the cost of protecting, altering, or relocating facilities, aerial or underground, where such work is required to accommodate a streetscape, sidewalk, or private development project.

2.4.2 Relocation at Request of Third Party. The Company shall, upon reasonable prior written request of any Person holding a permit issued by the Franchising Authority to move any structure, temporarily move its wires to permit the moving of such structure; provided (i) the Company may impose a reasonable charge on any Person for the movement of its wires, and such charge may be required to be paid in advance of the movement of its wires; and (ii) the Company agrees to arrange for such temporary relocation to be accomplished as soon as reasonably practicable, not to exceed ninety (90) days without the prior agreement of the Franchising Authority.

2.4.3 Restoration of Streets. If in connection with construction, operation, maintenance, or repair of the Cable System, the Company disturbs, alters, or damages any Street, the

Company agrees that it shall at its own cost and expense restore the Street according to the standards set forth in the Tennessee Department of Transportation's Rules and Regulations for Accommodating Utilities Within Highway Rights-of-Way. If the Franchising Authority reasonably believes that the Company has not restored the Street appropriately, then the Franchising Authority, after providing ten (10) business days' advance written notice and a reasonable opportunity to cure, may have the Street restored and bill the Company for the cost of restoration.

2.4.4 Trimming of Trees and Shrubbery. The Company shall have the authority to trim trees or other natural growth overhanging any of its Cable System in the Franchise Area so as to prevent contact with the Company's wires, cables, or other equipment, the cost of which trimming shall not be borne by the Franchising Authority.

2.4.5 Aerial and Underground Construction. If at the time of Cable System construction all of the transmission and distribution facilities of all of the respective public or municipal utilities in the construction area are underground, the Company shall place its Cable System's transmission and distribution facilities underground. At the time of Cable System construction, in any place within the Franchise Area where the transmission or distribution facilities of the respective public or municipal utilities are both aerial and underground, the Company shall have the discretion to construct, operate, and maintain all of its transmission and distribution facilities, or any part thereof, aerially or underground; however, at such time as all existing aerial facilities of the respective public or municipal utilities are placed underground, the Company shall likewise place its facilities underground, subject to the provisions of Section 2.4.1. Company facilities placed underground at the property owner's request in any area where any of the transmission or distribution facilities of the respective public or municipal utilities are aerial shall be installed with the additional expense paid by the property owner. Nothing in this Section 2.4.5 shall be construed to require the Company to construct, operate, or maintain underground any ground-mounted appurtenances such as customer taps, line extenders, system passive devices, amplifiers, power supplies, pedestals, or other related equipment.

2.4.6 New Developments. The Franchising Authority shall provide the Company with written notice of the issuance of building or development permits for planned developments within the Franchise Area requiring undergrounding of cable facilities. The Franchising Authority agrees to require the developer to give the Company access to open trenches for deployment of cable facilities and at least thirty (30) days' written notice of the date of availability of open trenches. Notwithstanding the foregoing, the Company shall not be required to utilize any open trench.

2.4.7 Use of Existing Poles. Where possible, the Company shall attach its facilities to existing utility poles and shall use all reasonable efforts to enter into a pole attachment agreement with the owners of such existing utility poles. The Franchising Authority acknowledges that the Company may pass through to Subscribers the costs of attaching to existing utility poles in the Franchise Area, and does not object.

2.5 Change in Franchise Area. In the event that the borders of the Franchise Area change, through annexation or otherwise, the Franchising Authority shall provide to the Company written

notice of such change, including an updated map and an electronic list of all addresses in the Franchise Area. Franchise fees on gross revenues earned from Subscribers in annexed areas shall not be payable to the Franchising Authority until sixty (60) days after the Company's receipt of such updated map and electronic list of addresses, and shall not be remitted to the Franchising Authority until the next regularly scheduled quarterly franchise fee payment as provided in Section 4.1.2 below.

SECTION 3 CUSTOMER SERVICE

Customer Service. The Company shall comply in all respects with the requirements set forth in Appendix B. Individual violations of those requirements do not constitute a breach of this Agreement.

SECTION 4 COMPENSATION AND OTHER PAYMENTS

4.1 Compensation to the Franchising Authority. As compensation for the Franchise, the Company shall pay or cause to be paid to the Franchising Authority the amounts set forth in this Section 4.1.

4.1.1 Franchise Fees—Amount. The Company shall pay to the Franchising Authority franchise fees in an amount equal to five percent (5%) of Gross Revenues derived from the operation of the Cable System to provide Cable Services in the Franchise Area.

4.1.2 Franchise Fees—Payment. Payments of franchise fees shall be made on a quarterly basis and shall be remitted not later than thirty (30) days after the last day of March, June, September, and December throughout the term of this Agreement.

4.1.3 Company to Submit Franchise Fee Report. The Company shall submit to the Franchising Authority, not later than thirty (30) days after the last day of March, June, September, and December throughout the term of this Agreement, a report setting forth the basis for the computation of Gross Revenues on which the quarterly payment of franchise fees is being made, which report shall enumerate, at a minimum, the following revenue categories: limited and expanded basic video service, digital video service, premium video service, pay-per-view and video-on-demand, equipment, installation and activation, franchise fees, guide, late fees, ad sales, home shopping commissions, and bad debt.

4.1.4 Franchise Fee Payments Subject to Audit; Remedy for Underpayment. No acceptance of any franchise fee payment by the Franchising Authority shall be construed as an accord and satisfaction that the amount paid is in fact the correct amount or a release of any claim that the Franchising Authority may have for further or additional sums payable under this Agreement. The Franchising Authority may conduct an audit no more than once annually to ensure payments in accordance with this Agreement. The audit of the Company's records shall take place at a location, in the State of Tennessee, determined by the Company. The Franchising Authority is prohibited from removing any records, files, spreadsheets, or any other documents from the site of the audit. In the event that the Franchising Authority takes notes of any documents, records, or files of the Company for

use in the preparation of an audit report, all notes shall be returned to the Company upon completion of the audit. The audit period shall be limited to three (3) years preceding the end of the quarter of the most recent payment. Once the Company has provided information for an audit with respect to any period, regardless of whether the audit was completed, that period shall not again be the subject of any audit.

If, as a result of an audit or any other review, the Franchising Authority determines that the Company has underpaid franchise fees in any twelve (12) month period by ten percent (10%) or more, then, in addition to making full payment of the relevant obligation, the Company shall reimburse the Franchising Authority for all of the reasonable costs associated with the audit or review, including all reasonable out-of-pocket costs for attorneys, accountants, and other consultants. The Franchising Authority shall provide the Company with a written notice of audit results and a copy of the final report presented to the Franchising Authority. The Company shall remit any undisputed amounts owed to the Franchising Authority as the result of the audit within forty-five (45) days, or other mutually acceptable timeframe, after the date of an executed settlement and release agreement.

4.2 Payments Not to Be Set Off Against Taxes or Vice Versa. The parties agree that the compensation and other payments to be made pursuant to this Section 4 are not a tax and are not in the nature of a tax. The Company and the Franchising Authority further agree that franchise fee payments required under Section 4.1.1 shall be in lieu of any permit fees, business license fees, and occupational license fees as are or may be required by the Franchising Authority. The Franchising Authority and the Company further agree that no additional taxes, licenses, fees, surcharges, or other assessments shall be assessed on the Company related to the provision of services or the operation of the Cable System, nor shall the Franchising Authority levy any other tax, license, fee, or assessment on the Company or its Subscribers that is not generally imposed and applicable to a majority of all other businesses.

4.3 Interest on Late Payments. If any payment required by this Agreement is not actually received by the Franchising Authority on or before the applicable date fixed in this Agreement, the Company shall pay interest thereon, from the due date to the date paid, at a rate of one percent (1%) per month.

4.4 Service to Governmental and Institutional Facilities.

4.4.1 Complimentary Installation and Service. The Company shall, within thirty (30) days of receipt of a written request by the Franchising Authority, provide complimentary standard installation and complimentary Basic Service on one outlet for each public primary or secondary school and public library located within the Franchise Area no more than one hundred twenty-five (125) feet from the nearest point of connection to the distribution plant. If a public primary or secondary school or public library within the Franchise Area is located more than one hundred twenty-five (125) feet from the nearest point of connection to the distribution plant, the Company shall, within thirty (30) days of receipt of a written request from the Franchising Authority, provide a written estimate for the cost of extending the distribution plant to the school or library, as well as any necessary interior wiring costs.

4.4.2 Government Discounts. The Company may provide a government discount rate if the Franchising Authority requests additional outlets at a public school or public library or requests Cable Service to any other government facility within the Franchise Area.

SECTION 5 COMPLIANCE REPORTS

5.1 Compliance. The Franchising Authority hereby acknowledges that as of the Effective Date, the Company is in material compliance with the terms and conditions of the cable franchise preceding this Agreement and all material laws, rules, and ordinances of the Franchising Authority.

5.2 Reports. Upon written request by the Franchising Authority and subject to Section 631 of the Cable Act, the Company shall promptly submit to the Franchising Authority such information as may be necessary to reasonably demonstrate the Company's compliance with any term or condition of this Agreement.

5.3 File for Public Inspection. Throughout the term of this Agreement, the Company shall maintain and make available to the public those documents required pursuant to the FCC's rules and regulations.

5.4 Treatment of Proprietary Information. The Franchising Authority agrees to treat as confidential, to the maximum extent allowed under the Tennessee Open Records Act (T.C.A. § 10-7-501, *et seq.*) or other applicable law, any requested documents submitted by the Company to the Franchising Authority that are labeled as "Confidential" or "Trade Secret" prior to submission. In the event that any documents submitted by the Company to the Franchising Authority are subject to a request for inspection or production, including but not limited to a request under the Tennessee Open Records Act, the Franchising Authority shall notify the Company of the request as soon as practicable and in any case prior to the release of such information, by email or facsimile to the addresses provided in Section 9.6 of this Agreement, so that the Company may take appropriate steps to protect its interests in the requested records, including seeking an injunction against the release of the requested records. Upon receipt of said notice, the Company may review the requested records in the Franchising Authority's possession and designate as "Confidential" or "Trade Secret" any additional portions of the requested records that contain confidential or proprietary information.

5.5 Emergency Alert System. Company shall install and maintain an Emergency Alert System in the Franchise Area only as required under applicable federal and state laws. Additionally, the Franchising Authority shall permit only those Persons appropriately trained and authorized in accordance with applicable law to operate the Emergency Alert System equipment and shall take reasonable precautions to prevent any use of the Company's Cable System in any manner that results in inappropriate use thereof, or any loss or damage to the Cable System. Except to the extent expressly prohibited by law, the Franchising Authority shall hold the Company and its employees, officers, and assigns harmless from any claims arising out of use of the Emergency Alert System, including but not limited to reasonable attorneys' fees and costs.

SECTION 6 ENFORCEMENT

6.1 Notice of Violation. If the Franchising Authority believes that the Company has not complied with the terms of this Agreement, the Franchising Authority shall first informally discuss the matter with the Company. If discussions do not lead to a resolution of the problem, the Franchising Authority shall notify the Company in writing of the nature of the alleged noncompliance (“Violation Notice”).

6.2 Company’s Right to Cure or Respond. The Company shall have thirty (30) days from the receipt of the Violation Notice, or any longer period specified by the Franchising Authority, to respond; cure the alleged noncompliance; or, if the alleged noncompliance, by its nature, cannot be cured within thirty (30) days, initiate reasonable steps to remedy the matter and provide the Franchising Authority a projected resolution date in writing.

6.3 Hearing. If the Company fails to respond to the Violation Notice received from the Franchising Authority, or the alleged noncompliance is not remedied within the cure period set forth above, the Franchising Authority’s governing body shall schedule a hearing if it intends to continue its investigation into the matter. The Franchising Authority shall provide the Company at least thirty (30) days’ prior written notice of the hearing, specifying the time, place, and purpose of the hearing. The Company shall have the right to present evidence and to question witnesses. The Franchising Authority shall determine if the Company has committed a violation and shall make written findings of fact relative to its determination. If a violation is found, the Company may petition for reconsideration before any competent tribunal having jurisdiction over such matters.

6.4 Enforcement. Subject to applicable federal and state law, if after the hearing provided for in Section 6.3, the Franchising Authority determines that the Company is in default of the provisions addressed in the Violation Notice, the Franchising Authority may

- (a) seek specific performance;
- (b) commence an action at law for monetary damages or seek other equitable relief; or
- (c) in the case of a substantial default of a material provision of this Agreement, seek to revoke the Franchise in accordance with subsection 6.5 below.

6.5 Revocation.

6.5.1 After the hearing and determination provided for in Section 6.3 and prior to the revocation or termination of the Franchise, the Franchising Authority shall give written notice to the Company of its intent to revoke the Franchise on the basis of an alleged substantial default of a material provision of this Agreement. The notice shall set forth the exact nature of the alleged default. The Company shall have thirty (30) days from receipt of such notice to submit its written objection to the Franchising Authority or to cure the alleged default. If the Franchising Authority is not satisfied with the Company’s response, the Franchising Authority may seek to revoke the Franchise at a public hearing. The Company shall be given at least thirty (30) days’ prior written notice of the public hearing,

specifying the time and place of the hearing and stating the Franchising Authority's intent to revoke the Franchise.

The Franchise shall be fully transferable to any successor in interest to the Company. A notice of transfer shall be filed by the Company to the Franchising Authority within forty-five (45) days of such transfer. If the Franchising Authority determines that it is necessary for it to employ separate counsel, the costs for such separate counsel shall be the responsibility of the Franchising Authority. Notwithstanding the foregoing, the Company shall not be obligated to indemnify the Franchising Authority for any damages, liability, or claims resulting from the willful misconduct or negligence of the Franchising Authority or for the Franchising Authority's use of the Cable System.

8.3 Liability and Indemnity. In accordance with Section 635A of the Cable Act, the Franchising Authority, its officials, employees, members, or agents shall have no liability to the Company arising from the regulation of Cable Service or from a decision of approval or disapproval with respect to a grant, renewal, transfer, or amendment of this Franchise. PART 76—CABLE TELEVISION SERVICE
Subpart H—General Operating Requirements

§ 76.309 Customer service obligations.

(a) A cable franchise authority may enforce the customer service standards set forth in paragraph (c) of this section against cable operators. The franchise authority must provide affected cable operators ninety (90) days written notice of its intent to enforce the standards.

(b) Nothing in this rule should be construed to prevent or prohibit:

(1) A franchising authority and a cable operator from agreeing to customer service requirements that exceed the standards set forth in paragraph (c) of this section;

(2) A franchising authority from enforcing, through the end of the franchise term, pre-existing customer service requirements that exceed the standards set forth in paragraph (c) of this section and are contained in current franchise agreements;

(3) Any State or any franchising authority from enacting or enforcing any consumer protection law, to the extent not specifically preempted herein; or

(4) The establishment or enforcement of any State or municipal law or regulation concerning customer service that imposes customer service requirements that exceed, or address matters not addressed by the standards set forth in paragraph (c) of this section.

(c) Effective July 1, 1993, a cable operator shall be subject to the following customer service standards:

(1) Cable system office hours and telephone availability—

(i) The cable operator will maintain a local, toll-free or collect call telephone access line which will be available to its subscribers 24 hours a day, seven days a week.

(A) Trained company representatives will be available to respond to customer telephone inquiries during normal business hours.

(B) After normal business hours, the access line may be answered by a service or an automated response system, including an answering machine. Inquiries received after normal business hours must be responded to by a trained company representative on the next business day.

(ii) Under normal operating conditions, telephone answer time by a customer representative, including wait time, shall not exceed thirty (30) seconds when the connection is made. These standards shall be met no less than ninety (90) percent of the time under normal operating conditions, measured on a quarterly basis.

(iii) The operator will not be required to acquire equipment or perform surveys to measure compliance with the telephone answering standards above unless an historical record of complaints indicates a clear failure to comply.

(i) Standard installations will be performed within seven (7) business days after an order has been placed. "Standard" installations are those that are located up to 125 feet from the existing distribution system.

(ii) Excluding conditions beyond the control of the operator, the cable operator will begin working on "service interruptions" promptly and in no event later than 24 hours after the interruption becomes known. The cable operator must begin actions to correct other service problems the next business day after notification of the service problem.

(iii) The "appointment window" alternatives for installations, service calls, and other installation activities will be either a specific time or, at maximum, a four-hour time block during normal business hours. (The operator may schedule service calls and other installation activities outside of normal business hours for the express convenience of the customer.)

(iv) An operator may not cancel an appointment with a customer after the close of business on the business day prior to the scheduled appointment.

(v) If a cable operator representative is running late for an appointment with a customer and will not be able to keep the appointment as scheduled, the customer will be contacted. The appointment will be rescheduled, as necessary, at a time which is convenient for the customer.

(3) Communications between cable operators and cable subscribers—

In addition, the cable operator shall notify subscribers thirty (30) days in advance of any significant changes in the other information required by paragraph (c)(3)(i)(A) of this section. Notwithstanding any other provision of Part 76, a cable operator shall not be required to provide prior notice of any rate change that is the result of a regulatory fee, franchise fee, or any other fee, tax, assessment, or charge of any kind imposed by any Federal agency, State, or franchising authority on the transaction between the operator and the subscriber.

(A) Bills will be clear, concise and understandable. Bills must be fully itemized, with itemizations including, but not limited to, basic and premium service charges and equipment charges. Bills will also clearly delineate all activity during the billing period, including optional charges, rebates and credits.

(iii) Refunds—Refund checks will be issued promptly, but no later than either—

(A) The customer's next billing cycle following resolution of the request or thirty (30) days, whichever is earlier, or

(B) The return of the equipment supplied by the cable operator if service is terminated.
